In today's CC, you need to create a queue emulator (FIFO structure). The start and end of the queue should be showed with different colors or any other distinction.

(See #announcement channel in slack for the GIF)

Queue Emulator

The Number You Want Add To The Queue

Enter The Number

Add   Remove

111,434,121,4,90

Note:

- You have the freedom to style the page in anyway you like.
- No embedded JavaScript. Your JavaScript code should be written in a .js file and should be linked accordingly.
